

QUEENSLAND WEIGHTLIFTING ASSOCIATION

MASTERS TEAM COACH SELECTION POLICY

The specific needs of the weightlifting team and individual weightlifters are the primary concerns when selecting coaching staff.

Applications for coaching positions within Queensland Masters Teams will be called from current active Queensland weightlifting coaches who are accredited in the National Coaching Accreditation Scheme of the AWF and Australian Sports Commission. All written applications will be reviewed and assessed according to the QWA Masters Team Coach Selection Criteria by the Selection Committee, which is a standing committee appointed by the Management Committee of the QWA.

In relation to the QWA Masters Team Coach Selection Criteria, applicants must provide the name of the Masters weightlifter/s who they coached at the **State competitions** specified in the criteria. Where a Coach is also a Masters competitor, he or she will not be recognised as the Coach of himself or herself as a competitor in any of the competitions specified in the criteria.

The Coach or Coaches appointed by the QWA Management Committee pursuant to this policy may, at their discretion, permit additional qualified Coaches to attend to QWA Masters Team athletes at the event. Any and all additional Coaches must work cooperatively with the appointed Team Head Coach; and be directed by him/her in the coaching of QWA Masters Team athletes.

APPEALS

Any coach may appeal their non selection on the basis that, in the specific case, their claim for selection is more meritorious, according to the selection criteria, than that of a coach who is selected.

All appeals must be made in writing and lodged with the QWA General Manager within three (3) days of the announcement of the selections.

The appeal must be in the form of a written submission to the QWA Management Committee in which the appellant provides details in support of their claim for selection in accordance with the selection criteria.

Upon receipt of an appeal, the QWA Selection Committee will be required to provide a written submission to the QWA Management Committee in support of its decision.

Within seven (7) days of receipt of an appeal, the QWA Management Committee will convene to consider the submissions of the appellant and of the QWA Selection Committee and decide the appeal.

In the eventuality that the appeal is unsuccessful, the QWA Management Committee will ratify the decision of the Selection Committee by appointing the nominated coach.

In the eventuality of the QWA Management Committee upholding the appeal, the appellant will be deemed to be selected and the QWA Selection Committee will be instructed to nominate which of the previously selected coaches is to be replaced by the successful appellant.

Any coach who is replaced due to a successful appeal may lodge their own appeal of this decision. Any such appeal must be made on the grounds that their claim for selection is more meritorious, according to the selection criteria, than that of the successful appellant, and lodged in accordance with this policy.

The Court of Arbitration for Sport is the ultimate court of appeal.
