

# QWA CLUB & INDIVIDUAL CHALLENGE

## 2024 Format & Rules

The 2024 QWA Club Challenge is open to all QWA Affiliated clubs, and QWA members and consists of three competition Rounds. The Rounds are club competitions held within each of the participating clubs on the scheduled dates.

Lifters may participate in club competitions conducted at another club's venue and still have their results included under their own club's name. It is the responsibility of your members to ensure that they have identified your club in their QWA profile.

All competitors must be members of the QWA at the time of competing

All competitions must:

## **RESULTS MANAGEMENT**

Clubs have **one week** after the competition to submit results via email. The results need to be in Michael Noonan Program format.

A lifter can represent only one Club in the QWA Club Challenge in any one calendar year.

Any number of lifters may participate in the Club competitions which form the QWA Club Challenge however each Club's score in each Round will be the sum of the scores achieved by the highest six (6) scoring lifters only, from each Club. Club scores will be calculated when results are uploaded to the AWF online system.

The final placings in the QWA Club Challenge will be determined by the sum of the highest points achieved by each Club in three (3) out of the three (3) Rounds; and each age-group winner (m/f) decided by the sum of the highest points achieved by each athlete in three (3) out of the three (3) Rounds.

## **SCORING SYSTEM**

The QLD Club Challenge Scoring System incorporates four elements in each Round:

### **1. PERCENTAGE OF AWF NATIONAL GRADES**

The lifter's final total is calculated as a percentage of the AWF National Grade relevant to gender and bodyweight categories, according to the following scale:

Lifters 18 to 20 years of age – *AWF Junior National (Men & Women)*

Lifters 21 to 39 years of age – *AWF Senior National (Men & Women)*

### PERSONAL BEST

For the purposes of the QWA Club Challenge, the Personal Best Total is the Total achieved in any official weightlifting competition held after 1st January 2022. Personal Best Totals are absolute, i.e. a lifter's Personal Best Total is his or her highest Total regardless of his or her bodyweight at the time of achieving the Total and regardless of his or her bodyweight at the relevant QWA Club Challenge.

A lifter in a QWA Club Challenge round who has not recorded a result in an official weightlifting competition after 1st January 2022 and therefore has no Personal Best Total for the purpose of this competition, will not receive Personal Best Bonus Points or Penalty Points in that Round, but will be eligible for the 'Consistency' bonus.

Any lifter with a current QWA membership can participate in this competition program even if they are not formally attached to an affiliated club, and be eligible for Individual Age Group prizes.

Lifters under 13 years of age can participate in Club Challenge rounds (in separate modified sessions), however they will not be eligible for the U15 Prize (conforming to the objectives of the AWF Policy in relation to U13 lifters) or count as results of the top 6 lifters of the club for the purposes of this competition.
