From the QWA Office

As we now know, the Gold Coast will host the 2018 Commonwealth Games. The announcement was received in Queensland just after 8:00am on 12th November and a number of QWA members were among those gathered at Southport to hear it. Earlier that morning, the crowd at Broadwater Parklands had been entertained with a display of weightlifting provided by Luke Gardner, James Norman, James Pakchung, Jon Pakchung and Shane Wagner. And while the boys went through their paces, Erika Yamasaki spoke about weightlifting and her own Games experiences in an interview with Channel Nine's Andrew Lofthouse, Giaan Rooney and Matthew Hayden.

2018 might seem a long way off, but the success of the Gold Coast's bid has some more immediate implications for weightlifting in Queensland. One of which is the future of the building that currently houses the QWA office and the Cougars Weightlifting Club. Shortly after the Gold Coast was confirmed as the host city, Phil Reeves, Minister for Sport, announced that a new velodrome would be built at the Sleeman Sports Complex for the 2018 Commonwealth Games. The Queensland Government's planning for this possibility began some time ago and I had the opportunity earlier this year to meet with the project's development consultants to outline weightlifting's needs, as a potential co-habitant of a new indoor facility. At this stage, it's not known exactly what will happen to the roof over our heads, but the Sleeman Sports Complex management is interested in keeping this part of the old velodrome structure intact and refurbishing the amenities. In the end, the Queensland Government's sports facility management department, Stadiums Queensland, will have the final say on what goes and what stays, but either way, indications are that SQ is mindful of the need for weightlifting to have a home at the Sleeman Sports Complex.

Looking into next year, the QWA will host the National Senior Championships and National Masters Championships in June 2012. The National Senior Championships will be the final qualifying event for Olympic Team selection, so there should be plenty of interest in this competition. We will also host the National Masters Championships on the same weekend, making a double bill similar to the one presented last year in the Chandler Theatre when the Commonwealth Games Trials was accompanied by the National Masters Championships.

At the time of applying for the National Seniors and National Masters, we were unsure of the availability of the Chandler Theatre on the specified dates and the Cougars Weightlifting Club was nominated as the venue. Recently, we were advised that it would be possible to hire the Chandler Theatre on 15 – 17 June and the QWA Management Committee has decided to ask the AWF Executive if they will agree to a change of venue from the Cougars Club to the Chandler Theatre. Of course, no matter where these events are held, the support of QWA members will be crucial to their success. There are a range of tasks for which people can volunteer and we'll provide more information in the new year.

Beside these national events, the QWA's regular competition program will of course continue throughout 2012. And the JME Queensland Club Challenge will run for another year, thanks to the generous sponsorship of JME Weightlifting & Fitness Equipment. So the next couple of weeks will give us all some time to relax and recharge, before plunging into another very full year of weightlifting.

Merry Christmas and a happy New Year to all.

Ian Moir

President's Report

2011 has seen Queensland Weightlifting in a seemingly never ending hive of activity. It is pleasing to see our state and sport alive and well in Queensland.

This has been a year of focus on development and recruitment. The QWA Management committee and Staff have worked tirelessly to develop and deliver weightlifting in Queensland.

Queensland Weightlifting is still enjoying a high level of success in athletic performance at and Under 15 level, as well as Youth (Under 17) and Junior (Under 20). This coupled with a sustained effort in the senior ranks maintains Queensland's strong national showing.

Masters weightlifting continues to show growth and in a pleasing trend, the number of Masters on the platform was matched this year by the youths. Youth lifters are the grass roots of our sport and they are the ones we will look to in the future to carry Queensland's proud name on the weightlifting competition stage.

I take this opportunity to thank and congratulate all of our lifters, coaches and technical officials who have excelled in and across many levels of competition, both domestic and abroad.

If I can give young lifters one piece of advice, it is this: Stick with it! Long term success in our sport can only come from long term commitment and continual training. Some may think that to take this path requires making sacrifices, but in reality, it's a matter of making a choice. Those who choose to be the best weightlifters that they can be will reap the reward of self-satisfaction and, more likely than not, the honours of state and national representation.

With any year in weightlifting, we always work hard for growth and development, building member numbers and welcoming new youth and junior lifter talent. It has been exciting in 2011 to see the formation of new clubs and the inclusion of these new clubs in the QWA competition program.

The growth of clubs in Queensland is, I feel one of the most important areas of development for Queensland Weightlifting. I encourage and support any driven coach who takes the challenge to start up and develop weightlifting at the grassroots level.

It is also timely to mention that Queensland / Gold Coast will play host to the 2018 Commonwealth Games. This brings great opportunity to weightlifters in Australia to compete at this high level in front of a home crowd on the world stage. 2018 seems a long time away, but I encourage all to plan now and start your journey towards making this 2018 competition your goal. With hard work and dedication over the next seven years you may well be standing on the victory podium with a Gold Medal around your neck.

In closing the year, I also wish to again thank the volunteers, coaches, referees, officials, helpers and parents who continually support our athletes and present the sport of weightlifting for all to enjoy.

I also wish to thank the QWA management committee for its continued hard work and support during 2011 and look forward to your support and hard work in 2012. To Ian Moir and Kylie Booth, our hard working and dedicated Staff, I thank you for again carrying out your duties in the most professional manner and with the utmost diligence.

I also wish to thank anyone who has help support, develop and grow the sport of weightlifting in Queensland, I thank the Queensland Government for its continued support as well as the Sleeman Sports Complex for its continued support of Queensland Weightlifting.

I look forward to seeing everyone again in 2012, which is of course an Olympic Year. With Queensland hosting the 2012 Olympic Weightlifting Trials, 2012 AWF Senior Championships and 2012 AWF Masters Championships, I am sure that I will call on you all again to help push Queensland Weightlifting forward into an ever stronger position.

Yours in Weightlifting

2011 AUSTRALIAN YOUTH & JUNIOR CHAMPIONSHIPS & UNDER 15 TOURNAMENT

QUEENSLAND TEAM REPORT

Despite relatively small numbers compared to previous years, the Qld team at the National Youth & Junior Championships & Under 15 Tournament produced excellent results once again.

The team of 19 brought home the Best National Under 15 Male Team Award, the Best National Youth Male Team Award and the Best National Junior Female Team Award, as well as the Best Lifter Awards for Under 15 Male, Youth Male and Junior Female.

Lifting on the first day of the competition saw the Under 15 Tournament take place with Qld's girls getting the ball rolling. Robin Parr, Hayley Ward and Beth Tolputt were all at their first National Championships and all performed very well with Robin achieving 6 successful lifts while Hayley and Beth each produced 5 successful lifts.

The Under 15 Men continued the good start for Qld with Liam Hanlon producing 4 good lifts at his first National Championships. Joshua Wu produced an outstanding six out of six performance, National records and new personal bests to win the best lifter award. Josh was joined by Korey Watson-Watt and James Norman as members of the successful Qld Men's Team.

Saturday, the second day of the competition, saw all the men's youth and junior categories contested. The day began well for Qld with 4 gold medals in the first session. Josh Wu and James Norman backed up from the previous day (oh to be young again!!!) to once again produce gold and bronze medal winning performances in the Youth 56kg category. Josh once again went six for six and incredibly improved on his previous day's total by 4kg. David Hockins didn't have his best day but still came away with a gold medal, a new PB total and two new Qld Junior records. Not far away from A Grade now Dave!

Scott Clarke had a comfortable win in the Junior 62kg category despite being hindered by injury. The closest competition of the morning session was actually between two Qld teammates, Shane Wagner and Forbes Jamieson, in the Youth 69kg category. They went lift for lift with Shane successful on 76kg and having a 4kg advantage after the snatches. The clean & jerks were just as exciting. Shane had three successful attempts and finished at 100kg, leaving Forbes to attempt 104kg on his last for the win. He gave it his all but was unsuccessful leaving Shane with the gold medal and new Aust Under 15 records. That's the sort of competition we need in all weight categories if we are to improve our standards!

The second session had three Qld competitors; Sam Baumann finished a creditable fourth in the Junior 69kg category, Jake Ratcliffe easily won the Youth 77kg category and in the process the best Youth Male Lifter Award and Korey Watson-Watt backed up from the previous day to claim silver in the same category with a better total than the previous day.

The final Saturday session saw only two Qld lifters compete. Jonathan Packchung and Benjamin Shaw once again had their own private battle for third place in the Junior 85kg category. Jonathan came out on top after producing 6 good lifts but only after having to watch Ben twice attempt the 116 kg needed to win the medal. He was close both times but it was not to be. Both boys were in their first Nationals and I'm sure they will be improved by the experience.

The last day was all about the Youth and Junior girls. Unfortunately we only had two of each!!!

Kara Stuart lead the way with 5 good lifts in the Youth 53kg category and a 100kg total, just a couple of kilos off her best, to win gold. Great last clean & jerk Kara. Bianca Sheppard followed with another 5 out of 6 performance to win gold in the Junior 58kg category. This came after a strenuous effort to make bodyweight and time spent in the sauna. Next time you see her, ask her what she reminded me of when she came out of the sauna! Sarah Counter, who was at her first Nationals, encountered strong opposition in the Youth 69+ category but produced 6 successful lifts and a new PB total for a fifth place finish. Bonnie Sleeman was our last lifter on the platform and she faced strong opposition from Victorian Katharine Johnson. Bonnie was 4kg behind after the snatches but had bodyweight. In the end it came down to bodyweight with Bonnie securing a strong second attempt clean & jerk of 85kg for the gold medal. Maybe her 90kg third attempt would have been closer if she had really needed it!

As I stated at the start, some really strong results for Qld. We just need to get as many lifters on the platform at Nationals as we can.

My thanks to the other Qld coaching staff, Miles Wydall, Angela Wydall and Barry Harden, who are all very experienced and are always so professional and easy to work with. Also a big thanks to first time team manager Deb Oliver, who I'm betting wasn't sure what she had gotten herself into at times. Deb also got plenty of chances to develop her navigation and bus driving skills. I would also like to give a mention to the parents who accompanied the team and thank them for their participation over the weekend. Lastly I would like to congratulate all the athletes who not only performed well on the platform but also exhibited a good team culture and responsible behaviour.

2011 JME Queensland Club Challenge

The *JME Queensland Club Challenge* finished another run in October. At the midway point, the Toowoomba club held a narrow lead over the Cougars club, with Cairns North and Sunshine Coast not far behind. At the end of the third round, the Cougars had moved out in front and it seemed likely that the fourth and final round would be a tussle between the Cougars and Toowoomba for first and second, with either the Sunshine Coast or Cairns North taking out third place.

The Cougars maintained their edge in Round 4 and withstood a strong challenge from Toowoomba to win the 2011 JME Queensland Club Challenge. The third place decision was incredibly close, with less than 10 points splitting the Sunshine Coast and Cairns North.

The spirit of competition in this year's JME Queensland Club Challenge was even higher than last year and two new clubs joined in the later rounds. Owner of *JME Weightlifting & Fitness Equipment*, Mr Craig Wegert, was extremely pleased by the enthusiasm with which Queensland's major weightlifting clubs approached the competition this year; and he is happy to continue his company's sponsorship of this event again in 2012.

Technically Speaking

Earlier this year, the AWF reviewed the procedures for promoting Referees from one level to the next. Following is a summary of the requirements which must be met by Referees before applying to have their qualification upgraded.

State Referee to National Referee

To attain the qualification of AWF National Referee, a person must:

- a) Have held the qualification of State Referee
- b) Undertake and pass the written examination prescribed by the Australian Weightlifting Federation
- c) Undertake and pass the practical examination prescribed by the Australian Weightlifting Federation

To be permitted to undertake the examinations for upgrade to AWF National Referee, a State Referee must, as a minimum, have satisfactorily fulfilled the following roles within the previous (2) years:

- Referee at three (3) Club or State Open events
- Referee at two (2) State Championship events
- Timekeeper at two (2) State Championship Events

National Referee to International Category 2 Referee

To attain the qualification of IWF Category 2 Referee, a person must:

- a) Have held the qualification of National Referee and refereed nationally for a minimum of five years
- b) Undertake and pass the written examination prescribed by the International Weightlifting Federation
- c) Undertake and pass the practical examination prescribed by the International Weightlifting Federation

To be permitted to undertake the examinations for upgrade to IWF Category 2 Referee, a National Referee must, as a minimum, have satisfactorily fulfilled the following roles within the previous five (5) years:

- Referee at three (3) State events
- Referee at two (2) National events
- Technical Controller at two (2) National Events
- Timekeeper at two (2) National Events
- Marshal at two (2) National Events

International Category 2 Referee to International Category 1 Referee

To attain the qualification of IWF Category 1 Referee, a person must:

- a) Have held the qualification of IWF Category 2 Referee for a minimum of two years
- b) Undertake and pass the written examination prescribed by the International Weightlifting Federation
- c) Undertake and pass the practical examination prescribed by the International Weightlifting Federation

To be permitted to undertake the examinations for upgrade to IWF Category 1 Referee, an IWF Category 2 Referee must, as a minimum, have satisfactorily fulfilled the following roles within the previous five (5) years:

- Referee at three (3) State events
- Referee at two (2) National or International events
- Technical Controller at two (2) National or International Events
- Timekeeper at two (2) National or International Events
- Marshal at two (2) National or International Events

Green Ants

The Green Ants embarked upon a weightlifting crusade in September, taking the sport of weightlifting south to Townsville.

The club hosted one of its scheduled Open competitions at the Art of Strength Centre, in conjunction with a powerlifting contest that ran on the same day.

Many lifters contested both the weightlifting and powerlifting competitions, which made them eligible for an overall point score in what was aptly named the 'Super Comp'.

Points for the Super Comp were accumulated by adding individual lifters' sinclair (weightlifting) and wilkes (powerlifting) scores together.

The weightlifting section of the Super Comp was a raging success, with 14 competitors taking to the platform – eight of which were first time lifters.

Competitors spanned across three different clubs, with seven from the Green Ants participating, along with four from CrossFit NQ and three from CrossFit Townsville.

All lifters turned out commendable performances, with a stack of personal best lifts set on the day. CrossFit NQ lifter Courtney Borg took out the female best weightlifter award, whilst Bryce Knight from CrossFit Townsville was adjudged the strongest pound-for-pound male weightlifter on the day.

Twelve athletes from the weightlifting competition backed up to compete in powerlifting contest an hour later. Whilst this was a steep learning curve for most, it turned out to be a lot of fun for all involved.

The best lifters from the weightlifting competition managed to hold onto their early lead and take out the overall awards in the Super Comp as well.

Special thanks must go to all Green Ants lifters and volunteers that travelled down to Townsville for the weekend and helped run a memorable event.

The success of the first weightlifting competition staged in Townsville over the past decade and a half will most certainly be the catalyst for more contests to go ahead in the city in the future.

The Green Ants have three major events left on the calendar for the year, which starts with hosting a Level 1 Sports Power Coaching Licence in mid October. A huge thankyou must be extended to the QWA and AWF for helping to fund this important course for our budding club coaches.

Next on the agenda is the final round of the JME Qld Club Championships, where the Green Ants are in a head-to-head battle with the Sunshine Coast to take out third place.

Finally, the club will wrap up proceedings in mid December with an end of year Christmas competition and awards ceremony.

To all friends in the extended weightlifting community, we wish you all the very best for the remainder of 2011 and look forward to catching up next year!

David De Rose
President - Cairns Green Ants Weightlifting Club

Well it has been a busy first year of being president at Cougars Weightlifting Club. From hosting the National Club Championships in March to the QLD All Schools in October plus a whole bunch of competitions in between. We also were fortunate enough to receive a new floor system from Stadiums QLD with thanks to club member Rich Gorey and the local State Member for Chatsworth Steve Kilburn. The new flooring looks great and we picked up a couple of extra platforms.

The club is the busiest I have seen it in 12 years I have been there. There are plenty of people training from all different backgrounds, experience and age giving the club a wonderful atmosphere to train in. The whole club has been training hard and I think we will have a big representation next year at the National Club Championships in March down in Melbourne.

I would like to wish everyone in the weightlifting community a Merry Christmas and a Happy New Year. Keep training hard and let's have a big 2012!

Damon Kelly
President Cougars Weightlifting Club

North Brisbane Weightlifting Association

Training is going well with the final league round approaching as well as "The Australian Masters Games" and Worlds. The Honeybadgers are well represented at the league round final with Christian, Norman and Ross in the men's division and Jenny, Lesley and Diana in the women. Our JME will be our next competition on Saturday 22nd October.

The Australian Masters Games are being held in Adelaide with large numbers attending from Queensland. Sue, Lesley, Julie, Diana, Lawrie and Leandra are competing and Paul Wheeler has been appointed as coach for the Queensland Team. We also have five members travelling to Cyprus for Worlds – Sue, Diana, Julie, Leandra and Lawrie. Good lifting to you all and safe travel.

Numbers at training are consistent and we do have some "casual" lifters who are not regulars due to work commitments; however they seem to be enjoying the challenge weightlifting can be. We hope to keep some of these males and convert them to Olympic Weightlifting.

Not sure what 2012 holds for the Badgers as far as coaches and members go. Christian is off travelling the world from March 2012 till late 2013 and we hope to keep Leo as our coach. Our strategic planning meeting is scheduled for Wednesday 16th November from 1800 in the boardroom at Geebung RSL club, Newman Road Geebung and we encourage ALL our members to attend as we would like lots of input as far as our future goals and growth.

Our Honorary Treasurer Murray Cox passed away in July. He was an important and valuable member of the Honeybadgers. Volunteers are hard to find and we were lucky to have such a dedicated book keeper. Part of the request by the family was no flowers at his funeral; instead money was to be donated to the Cancer Council. We took this opportunity to donate through one of our weightlifters that was doing Dry July and then Dry August/September and I wonder if Dry October is happening??? Thank you Colleen Duplock for allowing us to help sponsor you in this way and allowing Murray's name to be recognised.

Our end of year Christmas Competition is always a great social and rewarding day. We are planning to have dinner at the Geebung RSL Club again and present our trophies to the well earned recipients. "The Lawrie" is a much sort after trophy, created by our founder Dave DeRose and carries the name of the "Godfather" of North Brisbane weightlifting.

The Committee would like to take this opportunity to thank everyone within our Honeybadgers Club for their support and help during the year and to QWA for their input and guidance. With this being the last newsletter for 2011 we wish you all a very Merry Christmas, Happy New Year and we look forward to sharing the competition platform with all of you in 2012 and beyond.

JULIE DAVIS
SECRETARY

PS. The Nationals, Worlds and League Round have all been held and the Badger Girls and Boys did us proud in Adelaide, Cyprus and Springfield. Results have all been posted and congratulations to all the lifters who backed up for the three in a row. Big effort!!!

The committee and members of the Honeybadgers would like to thank Jenny Butler and Leo Isaac for their enormous role they played in our club – Jenny as President and Leo as our head coach. Jenny steered the club in the right direction and obviously Leo bought a wealth of knowledge in his coaching role. We wish them well in their new ventures and thank them for their time and efforts imparting tools that we will use to continue our training programmes and keep the club afloat.

The years seem to fly by, but new faces always bring fresh challenges. This year we said good bye to a couple of our school lifters but welcomed some new ones. It never ceases to amaze me how, even after all these years, lifters can still surprise me and ask me to challenge myself as a coach.

Some of the highlights of the year have been Jake Daniels joining Scott Clark as an Australian representative. Scott once again scored a 1st at National Championships.

Our two young ladies, Beth Tolputt and Hayley Ward, also acquitted themselves well by being two thirds of the team that came 2nd in the U/15 National Championships.

The Sunshine Coast ran the QLD Age Championships this year and I think it went off okay (of course with Ian Moir's assistance). I would like to thank the parents and my lovely wife for all their help. (And guess what, we will do it again next year).

Oh, and by the way, the competitors did a great job with some outstanding lifting.

The Club's Masters lifters also put on a good show by winning at both State and National Championships. Ray Loudon, Tim Steele and myself made the most of our opportunities at the Masters Games in Adelaide.

Rod Carr also had a good year, qualifying for the league final. It was good to see Bob Henderson back on the platform for our Christmas Comp after missing most of the year through injury.

I was very happy with the performance of our Club at the All School Championships. Mitch Daniels and Hayden White won their divisions in their first competition and even better, they looked like weightlifters. Hayley, Beth and Jake were also successful in winning their divisions. Jamie Shaw capped off the day by winning a place in a very competitive division.

I would like to take this opportunity to wish Trevor Waltz the best in his battle with an ongoing hip problem and thank him for his help this year.

And of course we will do it all again next year.

Merry Christmas and Happy New Year !

Barry Harden

Ironskull Weightlifting and Fitness

Ironskull Weightlifting originally grew from the overflow of people from the USQ Weightlifting Club. The expansion of interest in the sport of weightlifting in the area serviced by USQ was the impetus for the establishment of another weightlifting venue in the Western suburbs of Brisbane.

The USQ gym wasn't big enough to hold all of the lifters, so Craig Wegert had a vision! Build another club. Since the creation of Ironskull, we haven't just attracted Olympic Weightlifters. Ironskull caters for Crossfitters, athletes wanting Strength and Conditioning training; and Strongman competitors wanting a place to train and brush up on Olympic Lifting technique.

Also, sports teams and personal trainers have hired our gym at various times, the most notable occasion being when the Australian Skeleton and Bobsleigh Team conducted squad testing at Ironskull. Casual visitors are welcome to use the facilities as well and there is no pressure to join or competitively lift, just to enjoy the love of the Iron Game.

Ironskull Weightlifting is a friendly environment where everyone has the opportunity to learn Weightlifting, Our head Coach, Craig Wegert, is the owner of JME Weightlifting & Fitness Equipment and JME provides the floor space at its Sumner Park warehouse for the Ironskull club.

Craig has been involved in the sport for over 28 years and writes the training programs to suit the needs of anyone. Beginner lifters to elite lifters are catered for in our gym, we have 8 lifting platforms and enough bars and weights to keep 10 Damon Kelly's occupied at once!

Ironskull accepts ages from 10 years and up. Ironskull member, 10 year old Mitch Davie, has already lifted in his first competition with a total of 35kgs. Joshua Jackson is another early starter with great lifting at the age of 11 years in the last round of the JME Qld Club challenge.

As well as a working gym, Ironskull is also the JME Weightlifting and Fitness Equipment showroom and headquarters, which gives people the chance to test and train on a range of equipment. Not only does Ironskull have the traditional Olympic Weightlifting weights and bars but we also have dumbbells, kettlebells, a chin up bar system with attached dip handles and gym rings and heaps more functional strength training gear, thanks to JME Weightlifting and Fitness Equipment's fit-out of our training center. All of this is aimed to get you seriously fit and strong for the sport of Weightlifting first and foremost, or any other sport if that's the direction you want to go in.

So come down and have a look at the facilities. You can also join us on facebook. Don't hesitate to call (07) 3715 5286 for more information.

The Queensland Weightlifting Association (QWA) strives to promote weightlifting as a healthy and enjoyable sport for all.

Through its system of clubs around the state of Queensland, Australia, the QWA provides quality coaching for beginners to elite athletes, and offers an organised program of events for men and women aged from their 'teen years through to the Masters categories.

The QWA also offers training for coaches and officials and, as an affiliated member of the Australian Weightlifting Federation, opportunities to participate in national and international events.
